

Greetings from the Lawrence Model Railroad club. Our 19<sup>th</sup> annual Train Show and Swap Meet will be held, once again at the Crown Toyota complex in Lawrence Kansas on Saturday February 8<sup>th</sup> and 9<sup>th</sup>. You are cordially invited to participate.

This is our third year at the Crown Toyota venue. It has provided a bigger space so we are able to grow the show. Crown Toyota is located at 3430 S Iowa in Lawrence. That puts it on US HWY 59 immediately north of the K10 Lawrence Bypass Junction. It is the first business on the east side (right side if headed north). Once again, there will be a food truck participating both days of the show.

For more information and answers to questions contact me, the show vendor coordinator at:

P.S. Let me know if you need access to electricity, need to be located near (or far) from a certain vendor. If you have a particular way you want your tables set, include a drawing. We look forward to your participation in making this show a success for you and all involved.

Yours Truly
